

QUALITY POLICY

ACTION ENGINEERING is committed to:

- Establishing and agreeing customers' expectations and standards
- Providing customers with products and services that meet their requirements every time
- Insisting upon defect prevention and process improvement at all times
- Encouraging Quality performance based on employee involvement, pride in workmanship and commitment to Quality
- Promoting a total business approach with a "Quality in all we do" philosophy
- Accepting only conforming products and services from our suppliers
- Maintaining an externally audited Quality Management System to AS/NZS ISO 3834

WE ARE COMMITTED TO QUALITY FROM START TO FINISH, AND DOING IT RIGHT THE FIRST TIME.
